

## Military Outreach

Bringing great resources to our Three Oaks ES military children and their families.

**National Military Family Association (NMFA):** NMFA, “The Voice for Military Families,” is a dedication to providing information to and representing the interests of family members of the uniformed services. In addition to information on deployment, education, family life and health care, NMFA provides valuable links to other useful sites designed to give you the latest information available. They have a “Back to School” section with includes many links to valuable information on education for students and parents.

**SOAR (Student Online Achievement Resources)** is a program for military families and the school districts that serve them. It aims to address the unique challenges facing military children in our nation’s public schools, while benefiting the overall student population.

SOAR School provides assessment and remediation tools, as well as professional development for teachers and staff. <http://www.soarathome.com/>
